

Welcome to the Ob-Gyn practice of The Women's Ob-Gyn Group. We are pleased that you have chosen us for your Gynecologic care. As you may know, the practice you have selected consists of female physicians. All physicians were trained in University Medical Schools or Residencies, and are board eligible or Board Certified in Obstetrics and Gynecology. We also have two certified nurse practitioners with extensive experience in Ob-Gyn on our staff. They perform routine Gyn care.

Gynecologic patients are usually followed by one physician or nurse-practitioner for routine office care, although any one of the doctors may cover for urgent or emergency care. Obstetric patients are followed by all Ob physicians, as any one of the group's obstetricians may be on call when patients deliver. We all have admitting privileges at St. Agnes Hospital, and most of our surgeries or hospital admissions are scheduled there.

Please fill out the insurance information sheet and the medical history form and bring it in with you when you come in for your visit. Any questions you do not understand will be reviewed with you at your visit. Allow approximately an hour for the initial visit. If you are a member of an HMO a referral form may be required for insurance coverage for the visit. Please check your insurance plan.

Our office is located in the building at the corner of Harpers Farm Road and Little Patuxent Parkway, near Howard County Community College. From the Columbia Mall, take Little Patuxent Parkway toward the Community College. Turn right at the light at Harpers Farm Road, then the next left onto Turnabout Lane, and the next left into our parking lot. Our office is on the first floor, on the right as you enter the building.

We look forward to seeing you. If you are unable to keep your appointment for any reason, please call to reschedule. Please note that if you miss an appointment that has not been cancelled prior to the day of the appointment, a \$25.00 charge must be paid before you can book another appointment. In case of inclement weather, please go to our web site www.beh-ob-gyn.com, and click on "Notices" to find out the status of the office opening and closing times.

Yours truly,

The Women's Ob-Gyn Group
